<b>History</b>	<p>During the <b>Second Seminole War</b>, the U.S. Army established an outpost at Fort Gatlin, a few miles south of the modern downtown, in 1838. But it was quickly abandoned when the war came to an end. Prior to being known as its current name, Orlando was known as Jernigan, after the first permanent settler, cattleman Aaron Jernigan, who acquired land along Lake Holden by the terms of the Armed Occupation Act of 1842. But most pioneers did not arrive until after the Third Seminole War in the 1850s. Most of the early residents made their living by cattle ranching.</p> <p>Orlando remained a rural backwater during the <b>American Civil War</b>, and suffered greatly during the Federal Blockade. The Reconstruction Era brought a population explosion, which led to the city's incorporation in 1875.</p> <p>The period from <b>1875 to 1895</b> is remembered as Orlando's "Gilded Era," when it became the hub of Florida's citrus industry. But a great freeze in 1894-1895 forced many owners to give up their independent groves, thus consolidating holdings in the hands of a few "citrus barons" which shifted operations south, primarily around Lake Wales in Polk County.</p> <p>Perhaps the most critical event for Orlando's economy occurred in <b>1965</b></p>

## Golf

A golf getaway can mean different things to different people: a group of hard-core golfers may focus on a competitive program; a couple on a romantic getaway may desire just a touch of golf on the side; a family requires more instruction and flexibility; and a group of friends may just want the opportunity to see their idols up close.

With **176 golf courses** and golf resorts, 23 golf academies, some of the world's most prestigious tournaments, top-rated professional players and course architects, and even the world's top golf shops, Orlando is one of the few places in the world that can confidently meet the needs of any type of traveling golf group. In fact, Orlando was voted "**North American Golf Destination of the Year 2010**" by the International Association of Golf Tour Operators (IAGTO).

### **Tough Competitions**

Well-known for its theme parks, Orlando is also renowned on the golf circuit. Orlando hosts more professional tour competitions than any other city. PGA Tour stars – Tiger Woods, Phil Mickelson, Ernie Els and many others – compete every March in the Arnold Palmer Invitational Presented by MasterCard at the Bay Hill Club & Lodge, and the top professional players return in the fall as the tour visits Walt Disney World for the Children's Miracle Network Classic. Orlando was also home to the LPGA Tour Championship in 2010 when it was held at the Hyatt Regency Grand Cypress in December.

### **Golfing in Their Own Backyard**

With so many pro golf tournaments, it's no surprise that Orlando is also home to more pro tour players than any city in the world. Tiger Woods, Arnold Palmer, Chris DiMarco, Zach Johnson, Ernie Els, Sergio Garcia, Retief Goosen, Annika Sorenstam, Se Ri Pak and Mark O'Meara and many others hang their hats in the Orlando area.

### **Learning from the Best**

Looking for high-profile instruction? Look no further than Orlando, which boasts 23 golf academies and places two resident teachers on Golf Digest's Top 50 Instructors list, two on Golf Digest's Top 50 Best Women Instructors list and eight on Golf Magazine's Top 100. They include two top 10 teachers, David Leadbetter at ChampionsGate (No. 3) and Mike Bender at Timacuan Golf Club in Lake Mary (No. 9).

### **Golf Resorts**

Many traveling golfers prefer the all-inclusive, self-contained resort experience and some of the world's best are situated in Orlando.

**Waldorf Astoria Golf Club** – This Rees Jones-designed 18-hole golf course uses the land's natural contours as a canvas and is conveniently

Reunion features three championship courses by Tom Watson, Arnold Palmer and Jack Nicklaus. The Watson and Palmer designs were listed on Golfweek's "America's Top 40 New Courses for 2005." The Nicklaus-designed Tradition course opened to rave reviews in 2006. The 730-room Omni Orlando Resort at Champions Gate features two Greg Norman-designed courses—the links-style International and the traditional Florida-style National layout.

**The Ritz-Carlton Golf Club Orlando**, Grande Lakes, is nestled between a pristine nature reserve and a vast luxury resort complex that encompasses the 1,000-room JW Marriott Orlando, Grande Lakes, and the 584-room The Ritz-Carlton Orlando, Grande Lakes. The Greg Norman-designed course features a Caddie Concierge program that provides a knowledgeable professional attendant who offers course strategy and history, places food and beverage orders and even makes dinner reservations for after the round.

The David Harman-designed **Shingle Creek Golf Club** at Rosen Shingle Creek located just east of Orlando's Orange County Convention Center, was among Golfweek's "Top 40 New Courses for 2005." The course serves as the centerpiece of the 93-hectare resort.

**Orange Lake Resort** features vacation villas and 36 holes of great golf, including one Palmer design that recently underwent renovation. And, Mission Inn Resort is one of the region's favorites, with two great courses in a tranquil setting.

*from the Visit Orlando team who has brought me to Downtown Orlando to introduce me to the delights of this little known face of the destination. Here, away from the razzle dazzle of the theme parks and International Drive, is the charming heart of Orlando. We stroll the lively streets and the friendly crowds, past theatres, museums and restaurants...lots of restaurants. The choice is endless. We dine al fresco overlooking Lake Eola and watch snow white egrets around the shore. Afterwards we mingle with the locals and soak up the nighttime action centered along Orange Avenue, Church Street, and Wall Street Plaza, a grouping of various bars and eating establishments all on one street, including Monkey Bar, One Eyed Jack's, The Loaded Hog and my personal favourite, the Waitiki Retro Tiki Lounge. I love the relaxed and authentic vibe of Downtown Orlando and I make a pledge to always include a visit here on my future trips to Orlando."*
