<b>Get out and about</b>	A range of included excursions take you to all the must-see sights and some of the hidden gems a destination has to offer. Just You often use Local Guides who share with you their knowledge and insight of their country.
<b>Dine in good company</b>	Many meals are included in the itineraries allowing you to dine with your fellow travellers and giving you the perfect opportunity to talk about the sights you have seen during the day. As your vacation comes to an end, join your group for a farewell get-together before your return flight home.
