<p><b>History</b></p>	<p>More than 80 years ago, Antonio Mantegazza bought a rowboat to transport commercial goods across Lake Lugano in Switzerland. Who would have known that rowboat would launch the world's leading guided travel company?</p> <p>Antonio's frequent trips across the scenic lake led him to consider opportunities in a different market: tourism. His entrepreneurial instinct pushed him to gradually acquire some motor coaches to transport tourists around the Lake Lugano area.</p> <p>In 1928, Antonio opened a company specializing in motor coach touring called Globus Viaggi. The company began with a fleet of 12 coaches which operated local excursions for European tourists in Switzerland. By 1950, Globus Viaggi had grown to a fleet of 33 coaches and featured overnight excursions to Rome, Venice, the Dolomites and the French Riviera.</p> <p>For 80 years, the Globus family of brands has been providing a variety of products that address the needs of today's diverse traveler. Whether it's a fully escorted, premium, independent, or river cruise vacation, with Globus family of brands you will get unmatched value and world-class customer service with every journey.</p> <p>Today, the Globus family of companies consists of more than 30 tourism and aviation businesses, serviced by a group of more than 5,000 professionals worldwide.</p> <p>Combined, Globus and Cosmos carry about 500,000 passengers a year making the company the leading operator of guided vacations worldwide.</p>
<p><b>Why Globus?</b></p>	<p>With Globus, you'll always visit the key sights - the Sistine Chapel, the Colosseum and the Forum in Rome, the Prado Museum in Madrid, Michelangelos's David in the Academy of Fine Arts in Florence, and many others. You'll enjoy many more inclusions like cruises, high-speed trains, local guides, and in Italy's main cities, headsets for clear commentary. They offer twice the number of included features as many competitors, without any additional cost to you. Look for the complete list of their special included features on each tour page in their brochure. Globus not only brings you experience that others simply don't offer, they also ensure that you end up with more time to enjoy the rest of your destination. Most competitors require you to take extra optional</p>

	<p>excursions to see these important sights, costing you additional time and money. And if you don't join their excursion, you'll spend most of your time waiting in line. But with Globus, these sights are already included, freeing up the remainder of your time for exactly what you'd like to see.</p>
<p><b>Hotels with Globus</b></p>	<p>Globus understand the importance of hotel quality to your vacation. That's why, unlike most competitors, Globus hotels are First Class and above. And they stand behind their ratings, as confirmed by the hotel &amp; travel Index or national tourist board. For reference they have included hotel rating totals for each vacation in their brochure.</p> <p>The hotels selected are chosen not only for the superior quality but also for their convenient location, and their volume buying power worldwide means unparalleled value for you. For example, all hotels listed on the Monograms Independent Vacations and Leisurestyle vacations are located in the heart of your destination, so you're close to what you want to see. On the Castle villa stays they have special accommodations that are destinations in their own right. You'll be treated like royalty at unbeatable value.</p>
<p><b>Tour Directors</b></p>	<p>One of the greatest advantages of travelling with Globus is your Tour Director. Never underestimate the importance of experience. On average, each of their several hundred European Tour Directors has completed more than fourteen seasons on the road, successfully conducting an average of nearly 140 vacations.</p> <p>Globus Tour Directors are experts who have honed the art of taking you inside a destination, so you can rest assured that you're seeing the sights like a local.</p> <p>When you're been travelling as long as they have, you have operations down to an art form. They have spent more than 75 years refining itineraries and procedures and their Swiss Heritage ensures that your trip is trouble free to the last detail. With over 30 offices around the world, they have support when and where you need it, under any circumstances.</p>
<p><b>Globus Value</b></p>	<p>Globus includes all the main features of a destination without extra cost. Their volume buying power saves you money. In fact, a whole day of touring with Globus generally costs what you'd pay for just a hotel alone if you plan the trip on your own. Yet they also provide a Tour director, a great variety of transportation, many meals, a rich sightseeing program and much more. Here's a few more value-added items:</p> <p><b>Free airport transfers:</b> book your scheduled transatlantic flight with Globus and benefit from free transfers</p> <p><b>Low Air-fares:</b> compare their competitive air-inclusive prices, and business class is also available.</p>
