What makes Jaunt.ca unique is their ability to include all those additions that make a trip memorable. It's not just about the room. It's about the place; the local attractions; the food and drink.</p> <p>And now for the month of October 2012 - visit Jaunt.ca for unique Food and Wine getaways both within Canada and Internationally. They feature amazing food and wine inclusions such as winery tours, cooking classes, meals at great restaurants and more!</p> <p>Jaunt.ca is exclusively online and you can't purchase these offers anywhere else. They are great value and expertly crafted! So Jaunt.ca provides a memorable adventure, or a day or two of luxury - without breaking the bank.</p>
<p><b>Why "Jaunt"?</b></p>	<p>A "jaunt" is defined as an excursion or a jolly trip...and that's exactly what Jaunt.ca is all about. It's an easy-to-arrange, fun mini-vacation that also happens to be exceedingly good value.</p> <p>In the carefree travel heyday of the 1950's and 60's, a jaunt referred to a short leisurely trip made solely for pleasure. While use of the word may have declined in recent years, the craving for short pleasurable excursions is more potent than ever.</p>
<p><b>How It Works</b></p>	<p>Jaunt.ca works with some of finest hotels, resorts and Tour Operators - both <b>in Canada and internationally</b> - to obtain exceptional room rates and packages. Jaunt.ca partners range from sophisticated urban boutique hotels right in the heart of a city to country resort hotels with lakes, spas and golf courses at your disposal. And you can also find <b>all-inclusive packages and cruises</b> to popular resorts in Mexico, Caribbean and International destinations overseas.</p> <p>Jaunt.ca will <b>add more</b> to the package to create a complete experience or "Jaunt" - meals at exceptional local restaurants, winery tours, spa, golf, soft adventure and more. These are perfect for anniversaries, celebrations or when you simply deserve a bit of down time.</p> <p>Jaunt offers are <b>only available for a short time</b>, so be quick on the click to make sure you don't miss out! Each Jaunt is available on the website to book at the special rate for just one week, so check Jaunt.ca</p>

	<p>often to see what’ s on offer! And remember – you can’t buy these packages at these prices anywhere else.</p> <p>Even though you can only book in a narrow window, that doesn’ t mean you have to travel immediately. Offers will usually be <b>valid for several months</b> – so you can absolutely plan ahead. On the other hand, if it’ s “instant gratification” that you want, once you buy online you can print your Jaunt vouchers immediately and book the next available date.</p> <p>Jaunt.ca doesn’ t hide the restrictions on their offers. They go right at the top in clear view. So you will be completely clear on what’ s included, when you can travel, and any restrictions, before you buy.</p> <p>Your voucher is your proof of purchase for Canadian destinations. Once printed, you book your Jaunt directly with the hotel and merchants who supply your package, using the voucher and its unique voucher number. You can also give the vouchers as gifts – they are completely transferrable.</p> <p>You can buy online with confidence because Jaunt.ca is a <b>secure site</b> using encrypted Secure Socket Layer (SSL) connection. Your credit card information is transmitted directly to a secure electronic vault from where the credit card companies determine if the card is valid. It is never stored on Jaunt.ca’s servers.</p> <p>International trips are booked through <b>targetvacations.ca</b> - Jaunt's preferred travel provider, who will issue you with your travel documents.</p> <p>Jaunt.ca are extremely particular about the businesses they work with, but in the unlikely event that a merchant or partner does go out of business, you will have nothing to worry about. Jaunt.ca commit to making sure your individual situation is corrected immediately. Plus book with confidence because Jaunt.ca are owned by the <b>TorStar Group</b> who also own the Toronto Star amongst other businesses.</p>
<b>Registering</b>	<p>How much does it cost to register with Jaunt? Zero - it's free to register with the site and it's free to join their email list. By signing up to this email list you're guaranteed to get the inside scoop on Jaunts before they sell out or become unavailable.</p>
<b>Vouchers</b>	<p>Immediately after submitting your order, you will be able to download your voucher from the Jaunt.ca website - check the "My Vouchers" section of "My Account". The "New Vouchers" tab contains all your unused vouchers. Your latest purchase will be right at the top. Click the voucher you want to view (or print), then click on the PDF icon on the</p>

	<p>right, which will open the voucher in Adobe Acrobat Reader.</p> <p>You will receive your voucher immediately after submitting your order. Many other sites will make you wait until the offer closes, but Jaunt gives it to you right away.</p> <p>If you lose your voucher, you can simply re-print it. Sign in to the site, check the "My Vouchers" section of "My Account". Locate and click on your lost voucher, then click on the PDF icon on the right, which will open the voucher in Adobe Acrobat Reader.</p> <p>In most cases you will need to print the voucher and present it to the hotel for redemption. In some cases, you may not need to print your voucher but you will require its unique ID number to redeem your Jaunt by phone or online. If this is the case it will be stated on the voucher.</p> <p>You can always find your vouchers online. Simply sign in to the site, select 'My Account' and click on the voucher in question to view and print it. You will be notified by email as soon as you place an order with your voucher details, but if you don't receive the email in your inbox it is possible that your email program put the email with your voucher(s) into your junk mail box.</p> <p>You can typically use your voucher as soon as you receive it unless otherwise stated.</p> <p>Any restrictions, including expiration date, will be stated on the voucher (and on the feature page so you know all the details before you make the purchase). The expiration date is binding unless prohibited by law.</p> <p>You need an ID when I redeem my voucher. Bring a valid ID when you redeem your voucher and if you gift your voucher to someone else, that person should bring his/her ID when redeeming. The Hotel may record your name and ID number to prevent fraud and counterfeiting.</p> <p>You will receive one confirmation email but separate vouchers for each Jaunt purchased. This makes it easy to give the gift of Jaunt.</p> <p>Your vouchers are fully transferable and 'giftable'. Each voucher has a unique code on it and can only be used once. You will need to use the full value of your voucher in one visit as you cannot use the remainder later.</p>
<b>Refund Policy</b>	Jaunt will issue refunds on unused vouchers until 14 days after the offer closes. If you're only available to redeem your Jaunt on certain dates,

	make sure you book your Jaunt with the hotel/merchant during the refund period. If the Jaunt is not available on the day you need, Jaunt will be happy to issue a full refund provided that you make your request within 14 days after the offer closes on Jaunt.ca.
<b>Timing</b>	Unfortunately, good things can't last forever and each Jaunt has a specific window of availability (usually one week). Once a Jaunt's time limit expires it is no longer available. This is yet another reason savvy Jaunters sign up for personalized email alerts.
<b>Customer Protection</b>	Jaunt is extremely particular about the businesses they welcome into the Jaunt circle of trust, but in the unlikely event that a merchant or partner does go out of business, you will have nothing to worry about. Simply contact Jaunt at <a href="mailto:info@jaunt.ca">info@jaunt.ca</a> and they will make sure your individual situation is corrected immediately. Jaunt Inc. is also TICO Registered #50020132 so you have this added security too.
